Access Improvement Project has begun and some traffic patterns will be disrupted, especially on Carlos Street.

The project started Monday and is expected to be completed by May 20. Alturas Public Works Director Joe Picotte said the project includes sidewalks, curbs and gutter with Americans with Disability Act compliance. It encompasses an area from Carlos and Court Streets to First Street north and the pedestrian east-west sidewalks from Court to Carlos.

The original plan was from Carlos to Fourth Streets, but the bids came in too high at $1.2 million so it was scaled back.

CREWS WORK to break up some existing sidewalk on Court and Howard Street.

Dear Editor:

This is in response to Vauline Collins’ April 25, 2019 comments on my recent Letter to the Editor, the Modoc County Record’s May 2, 2019 edition. Ms. Collins suggests, “LaMalfa’s choice to vote against reauthorization of the Violence Against Women Act is an obvious display of how wrong the gun lobby is when it comes to protecting women from gun violence.”

Ms. Collins is absolutely correct. It is a fact that LaMalfa had a choice to vote to protect women from gun violence. He chose to support the gun lobby. LaMalfa’s choice to vote against reauthorization of the Violence Against Women Act is an obvious display of how wrong the gun lobby is when it comes to protecting women from gun violence. LaMalfa chose to support the gun lobby.

As was stated in the May 2, 2019 Letter to the Editor, “LaMalfa had a choice to vote to protect women from gun violence. He chose to support the gun lobby.” That is a fact.

Please reconsider your stance on this issue.

Sincerely,

Diane Alturas

High water...

WHILE MOST of the SNOTEL sites in Modoc are showing little to no snow currently, that’s not the case in Dismal Swamp area where 64 inches of snow containing 34.6 inches of water remains as of Tuesday afternoon. Lea Huetteman shot this photo of a rushing Bidwell Creek this week. It will probably remain high for awhile. Cedar Pass now has two inches of snow and the Adin Mountain site has none.

Help Stamp Out Hunger

On Saturday, May 11, the Stamp Out Hunger Food Drive will welcome non-perishable food donations locally and across the nation. In Alturas, letter carriers will be delivering bags that say “Northern Nevada” because they were donated by Reno.

But, as local drive chairperson and letter carrier Brian Harden explains, all food donations will go to Modoc food banks – the food will not go out of the area. There will also be a rolling binhanger inside the Alturas Post Office lobby for food donations.

Carriers will also be collecting food donations from their customers this Saturday.

To participate, just leave non-perishable food donation(s) in a bag by your mailbox on Saturday, May 11 and your carrier will do the rest.

The need for food donations continues to grow, as many people struggle with hunger every day. It has been 27 years, since the National Association of Letter Carriers started their first “Stamp Out Hunger” drive supported by the public.

Food banks and pantries often receive the majority of their donations during Thanksgiving and Christmas holiday seasons. By springtime, many pantries are depleted, entering the summer low on supplies at a time when many school breakfast and lunch programs are not available to children in need.

As the years have changed, so have the donations in the Modoc area. Ten years ago, local carriers collected 1,500 pounds. Last year, 600-700 pounds of food donations were collected.

Hunger exists in every community in the nation. Individuals served by the Feeding America® network of food banks report needing to make difficult choices: 69 percent have to choose between paying for utilities and food; 67 percent have to choose between paying for transportation and food; 66 percent have to choose between paying for medical and food and 97 percent have to choose between paying for housing and food.

Brian Harden and local letter carriers urge the public to help “Stamp Out Hunger” this Saturday.

The drive will be held in 10,000 cities, towns in all 30 states, the District of Columbia, Puerto Rico, the Virgin Islands and Guam, on all the same day.

Blue Lake Camp is coming soon! Registration opens Monday, May 13 and the camp staff is looking forward to the 46th year of offering a low cost camping experience to kids entering the 4th through 9th grades.

Blue Lake Youth Camp is operated by the Federated Church in Alturas. The camp is non-denominational and is open to all youth.

Camp activities include swimming, canoeing, crafts, archery, worship, and supervised free time. The first camp July 15-22 is for kids who have completed the 4th, 5th, and 6th grades. Both camps are 850 per child. Donations are always welcome to sponsor a child who cannot afford to attend.

Camps are limited to 10 girls and 10 boys and are filled on a first-come-first-served basis. If you have any questions or would like to obtain an application form, please call (530) 233-2674 to leave a message or email bluelakecamps@hotmail.com.

The Bible Memory Man returns

Experience the most famous book in the world in a whole new way. Prof. Tom Meyer, The Bible Memory Man, who has an amazing 20 complete books of the Bible memorized, will be speaking in Alturas on Sunday, May 12, at Faith Baptist Church, 810 W. Carlos W., at 10:45 a.m.

Meyer, who learned the ancient art of memorization while studying for 1,000 days in the Holy Land, will present "a feast for the ears as he quotes dramatically from heart the entire New Testament book of James, and then comments on the book from his experiences of living in Jerusalem." Meyer has spoken the Bible from memory in over 30 states and in front of celebrities like Chuck Norris and leaders of the world including the President of Israel.

He will be sure to hold the attention of both old and young alike.

The event is free and open to the public. For more info visit www.thescrpturecannotbebroken.com or call (530) 233-2015.

HSU awarded $2.7M to aid new teachers

Humboldt State University is one of four campuses within the California State University system that received a total of $12.9 million in grants from the U.S. Department of Education’s Developing Hispanic-Serving Institutions (DHIS) program.

HSU’s School of Education will receive the award over the next five years. The funding will enrich teacher pathway courses. It also strengthens HSU’s commitment to support Hispanic and low-income students by providing the University with additional funding to develop mechanisms that are responsive to the needs of these students.

HSU efforts are to foster a new generation of teachers.

Reinke honors techs

The three received this PLUS award by completing all classes and receiving very high marks on all testing.

$2 Million invested in Nursing Program

A $2 million St. Joseph’s Health Grant will kick-start the permanent endowment to support the Humboldt State University RN to BSN Program. The grant is a major investment in enhancing health care and addressing the nursing shortage. The RN to BSN program will allow registered nurses who already have an associate’s degree to complete their bachelor’s degree in nursing. The additional education will enable nurses to meet new hiring educational requirements some hospitals have implement- ed which require a BSN degree and allow them to prepare for advanced training.

Wildfire Preparedness work day

Community Wildfire Preparedness Week is May 6 – 12. It is the week communities come together to look closely at their readiness for wildfires.

The Community of Rush Creek Estates, Big Valley Ranger District and Modoc Fire Safe Council have joined to sponsor a clean-up day at Rush Creek near Adin on May 11.

Everyone is welcome. Gather at Lower Rush Creek Campground at 8 a.m. Please bring work gloves, bags, head gear, water and snacks. Hamburgers and hot dogs will be provided for lunch. Come ready to work and learn.

“Preventing wildfires and fire preparedness is everyone’s responsibility,” said Modoc National Forest Prevention Technician Jennifer Crites. “Creating a Defensible space by clearing vegetation, debris and ladder fuels around homes and other values can often mean the difference between little or no fire damage and total destruction.”

The goal of the Modoc Fire Safe Council is to enhance the effectiveness of fire prevention and protection through partnerships with local, state and federal fire professionals to implement projects and education programs that help protect rural communities from fire.

Please visit the following websites to learn more about fire preparedness: www.readywildfire.org, and http://www.ready.gov and http://modocfiresafecouncil.org/programs.

Best water, period...

RON SHERRER, General Manager of the Modoc Pines Community Services District, left, accepted the award for best tasting water in the state from the California Rural Water Association at its conference April 25 in Tahoe.

Last year, the CPSCD pure water sample has been at the top and won the whole thing this year.

The goal of the Modoc Fire Safe Council is to enhance the effectiveness of fire prevention and protection through partnerships with local, state and federal fire professionals to implement projects and education programs that help protect rural communities from fire.

Thank you from Lady Braves Softball

We would like to thank everyone who came out and supported our Bingo Fundraiser. It went great and we had a blast.

A special thank you to Chris Porter for putting everything together for us and guiding us, thank you to the Modoc Record, Modoc County Public Health and Janet Morgan for advertising it for us; to the Likely Volunteer Fire Department for letting us borrow your Bingo machine and donating some bingo sheets and the Ladies VFW for donating bingo sheets.

We so appreciated everyone who came out to play and supported us and those of you who couldn’t make it and still donated to us.

Our sincere thanks,

Judie Larrañaga and the Lady Braves Softball Team

Proven treatment for opioid addiction starts here.

Medication Assisted Treatment (MAT) is the use of FDA-approved medications for the treatment of opioid addiction. When coupled with counseling, MAT treats the whole patient and significantly reduces the risk of relapse. Medi-Cal, Medicare and many private insurance plans cover MAT. You can get MAT through a primary care doctor, licensed narcotic treatment programs, outpatient treatment programs, or licensed residential treatment facilities.

The Braves ended with the Shasta Cascade League title in hand at 8-2 with Fall River in second at 7-3, Modoc third at 7-5, Etna fourth at 5-3, Tri-Valley fifth at 1-8 and Weed sixth at 1-9.

The Braves will be seeded second in the North Section Division Five playoffs that start Friday and the seeding meeting was set for Wednesday. Modoc finished in the first round of the playoffs and will play the winner of Mt. Shasta versus East Nicolaus game. The game will be at home on Tuesday, May 14th at 2 pm.

Against Mt. Shasta the Braves dug themselves a 3-0 deficit in the first inning of the opening game and a pair of walks and a home run gave the Bears a great start. Modoc had a quick answer, scoring one in both half of the first and added four in the second inning. Modoc was held scoreless the rest of the game and Mt. Shasta managed a run in the fourth, but still lost 5-4.

"Mt. Shasta jumped out to a quick 3-0 lead in the first three batters in the game," said coach Tim MacDonnell. "We were able to weather the storm and get back into it and hold on for the tight one-run victory. They had a big fly on the mound in game two who was tough. We just had a hard time getting anything going offensively. It was good baseball and I was very pleased to see all the folks who came out to support us."

Wyatt Larranaga got the win, pitching seven innings, allowing four earned runs on seven hits, struck out four and walked two. He was also 3-3 at the plate with three runs batted in. Bradley Kaplan went 2-3 with one RBI, Charleston a quick one in the bottom half of the inning and five in the sixth and another two in the seventh for the 8-2 win.

Scott Lewis got the loss or Modoc, going 5-2 innings, giving up six runs and nine hits, fanned six, walked four and hit one batter with a pitch. He was relieved by Luke Bagwell who pitched two innings, allowing two runs on one hit and two walks.

Modoc into the playoffs in fifth place in the division, behind Biggs at 8-0, Durham, at 9-6, Quincy at 5-2, Etna at 8-0. Modoc is in the section playoffs, but the schedule has not been released. They are ranked fifth in the division.

Modoc softball team finished a successful season in second place in the Shasta Cascade League at 8-2, behind unbeaten Etna at 8-0. They go into the Section Division Five playoffs seeded fifth and their first game might be at home.

They had no trouble with a fairly weak Mt. Shasta team here Friday, winning 12-2 in the first game and 15-3 in the second.

Lees Larranaga got the win in both games on the mound. She allowed one hit in the second game and three in the first.

Nikki Yasumi led the offense with a triple, while Brook Lafferty and Larranaga each doubled. Riley Atkins was 1-3.

Jenna Nelson led the offense in the second game at 2-2, Yaemi Fwass 2-3, Larranaga 1-2, Alixa Chavez 1-1 and Alli-son Davis 0-1.

"The girls continued to play great defense and hit the ball well," said coach Jodie Larranaga. "We have a very young team, so seeing as strong a finish is incredible. They progressed continually all year and have been an outstanding group to coach. I am very pleased with them over-all."

Modoc split with Bears, has a 1st round bye

Modoc's baseball team did what it had to in the opening game against Mt. Shasta Friday, winning 5-4. But they dropped the championship game 8-2 in the nightcap.

The Bears ended with the Shasta Cascade League title in hand at 8-2 with Fall River in second at 7-3, Modoc third at 7-5, Etna fourth at 5-3, Tri-Valley fifth at 1-8 and Weed sixth at 1-9.

The second game was tight early with Mt. Shasta leading 2-0 through four innings. The Bears added two in the fifth and Modoc answered with two to trail 4-2. Mt. Shasta added two more in the sixth and another two in the seventh for the 8-2 win.

Scott Lewis got the loss or Modoc, going 5-2 innings, giving up six runs and nine hits, fanned six, walked four and hit one batter with a pitch. He was relieved by Luke Bagwell who pitched two innings, allowing two runs on one hit, walked three and struck out two.

T. Larranaga had one hit, as did W. Larrana- ga, Bagwell, Farmer and Lewis.

MHS girl’s team wins SCL track title

The Modoc girls track team won the Shasta Cascade League Championship for the second time in four years on Thursday at Yreka High School. They now head to the Division Four championship meet in West Valley today.

Modoc’s girls had first place finishes by Skylar Thompson, Ashley Dahlil, Jennifer Ruiz, Jaylin Vansickle, Miranda Linke, and Hailey Hopkins who earned All-League honors for their victories. Miranda Linke was named Outstanding Female of the Meet.

On the boys’ side Logan Vansickle won the 3,200 meters in 10:57.03, and earned All-League honors. He placed second in the 1600 meters in 4:43.84.

The following are the results posted by Modoc athletics:

The rocky mountain Elk Foundation (RMEF) recently elected another Modoc'er as director.

The Rocky Mountain Elk Foundation recently elected Matthew Vanderheyden as one of its Modoc directors. Vanderheyden, who qualified for the Masters at Rolling Hills Golf Course on May 11 at the Niles Hotel, is a Modoc resident, Larry Bucher, formally of Ft. Bidwell and his wife Terri both served on the Board of Directors for different times. There are more than 235,000 members of RMEF. Board members come from all over the United States.

There are currently 17 board members. If voted in a board member volunteers to serve two, three-year terms. It is quite likely that Modoc has produced more RMEF directors it its 35 year history than any other county in the nation!

RMEF, is based in Missoula, MT. It is a nonprofit orga-nization whose mission is to ensure the future of elk, other wildlife, their habitat and our hunting heritage. The RMEF is a leading national advocate for wildlife management, habitat conservation and hunting herit-age with an involved and informed membership.

Funds to support their mission come through donations, local events nationwide. Since its inception in 1984, RMEF has spent over $1 million in Modoc County on habitat enhancement of nearly 20,000 acres. RMEF partners with other agencies and organizations in its efforts. Since 1984 these groups have invested an additional $2 million in Modoc County alone.

The local co-chairperson’s of this year’s event being held on May 1 at the Nile Hotel, are Dennis and Mi-

and away, quick greens and, possibly, nerves,” said Modoc Coach Harold Montague. For Modoc, other than Schmidt, our players shot anywhere from 15-20 strokes higher than our season averages. Thrusly, we shot a team score nearly 100 strokes higher than our lowest league score. It was very frustrating for all of the kids, not playing as they were accustomed to play. It was pretty much the same for all of the competitors in the field. However, it was good to see them endure their round and not give up. I was very proud of Logan to see him manage his back nine holes well enough to advance to the section championship.”

as well as competed at a high level. I was very impressed with the total quality of the appearance today was particularly improved by all the personal bags that were set. In looking back through upset accounts, the Modoc athletes had shot a total of 28 personal bests at this meet.”

Next up for the Braves is the NSCIF Division V Championships on May 9 at West Valley High School. Eighteen of our 24 kids qualified to compete at this meet and have good chances to win another team championship on the girls’ side and get a number of kids through to the Section Finals.

It’s all about perspective

By Gloria Marchant, for Alturas Garden Club.

If you have driven down East Street between 3rd and 4th recently, your jaw might have dropped gazing at the lawn surrounding the Alturas Garden Club’s Whistle Stop Depot.

With the wet winter and some recent warm and sunny days, dandelions seem to be blooming everywhere. Maybe you asked yourself why hasn’t the gardener rid of those “weeds.”

The answer is surprising. In January, the membership determined to see if they could do something about the precipitous drop in the Monarch butterfly winter count. Tom Landis, a well known advocate for protecting Monarch butterflies and other pollinators came to Alturas in March and inspired the members to establish a Monarch and other pollinators garden at the Whistle Stop Depot. Once that decision was made, it became hard to justify poisoning one of the earliest and longest blooming sources of food for pollinators. And, it turns out dandelions aren’t just beneficial to pollinators, they also improve the health of lawns. Who knew? Their deep tap roots bring up potassium, phosphorus, calcium, copper, iron, magnesium, and silicon while loosening the soil.

My husband admitted to me last night that he thought they were pretty. We’d been enjoying seeing them covered with Painted Lady butterflies. It seems once you change your mindset about dandelions, they can be something attractive and desirable. You might save some money.

The Alturas Garden Club’s next meeting is May 9 at 12:30 pm at the Whistle Stop Depot.

Wrong name

The Alturas Country Jam apologized for mis-identifying one person in last week’s anniversary photo. Janet White was listed as Ruth Adams.
